

i-escalate solution

A highly concentrated special cleaning liquid designed for use with i-escalate equipment that breaks down all types of soil on escalator steps in an environmentally friendly way.

Better

Optimized cleaning solution designed to perfectly match the i-escalate for maximum performance and cost efficiency.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based bottle result in a net carbon-negative impact.

Faster

Performance-enhanced i-escalate solution for quick and consistent cleaning of escalator steps.

Cleaner

Breaks down all types of soil and buildup on escalator steps, restoring a clean and safe appearance.

Instructions for Use

Use exclusively in combination with the i-escalate. Follow the manufacturer's instructions for optimal results.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	FlexDose
Packaging	Can
Standard min. dosing	10ml on 5ltr*

* The advised minimum dose applies to i-escalate and similar high quality cleaning equipment; traditional methods may require a higher dose.

Specifications

Dosing protocol	FlexDose
Packaging (CU)	Can
Content CU (ltr)	5
Articlecode CU	ID60.CA.5000
Barcode CU	8721284402688
Articlecode box (BU)	K.2.ID60.CA.5000
Barcode BU	8721284402695
Content BU	2
BU per layer	16
Pallet layers	5
BU on pallet	80
CU on pallet	160
