

floor cleaner

Ecological daily floor cleaner suitable for all water-resistant, hard floor surfaces. Also ideal for sports floors and floors with a protective (polymer) coating. Cradle to Cradle Gold certified.

Standard min. dosing	50-150ml on 5ltr
----------------------	------------------

Instructions for Use

Remove dust and loose dirt from the floor. Prepare the cleaning solution according to the dosage instructions in a mop bucket or in the tank of a floor cleaning machine. Clean the floor as usual. Mop, wipe, or vacuum up the solution, or use a floor squeegee to move it toward the drain. Allow the damp floor to air dry, rinsing is not necessary. For periodic cleaning or heavy soiling, apply the cleaning solution to the floor and let it work for about 5 minutes.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Specifications

Packaging (CU)	Can
Content	5L / 2 BU
Articlecode (CU/BU)	IL7.CA.5000 / K.2.IL7.CA.5000
Barcode (CU/BU)	8721284403838 / 8721284403968
Pallet	16x5=80 BU / 160 CU
