

hand soap bacteriostatic

Ecological, unscented mild hand soap for use in kitchens, restaurants, and restrooms.

Can only be used with i-hygienic soap dispensers.

Better

Ecological ingredients are better for your skin and the environment.

Safer

Unscented, mild, and skin-friendly formulation for frequent use in food-handling areas.

Greener

Plant-based ingredients and reduced-weight packaging with minimal plastic for a lower environmental impact.

Faster

Ready-to-use formula for quick and effective handwashing.

Cleaner

Provides gentle yet effective cleaning while helping reduce bacterial growth.

Instructions for Use

This product is designed for use with a dispenser. Dispense onto your hands, add a little water, and rub your hands together until a light, soft foam forms. For best hygiene, continue rubbing for 30 seconds. Rinse well with plenty of water and dry your hands thoroughly.

Transport, Handling, and Storage

No restrictions on handling, transport, or storage.
