

carpet spot spray all-purpose

Ecological ready-to-use all-round stain remover spray for textile surfaces. Easily removes stains such as grease, ink, and coffee from upholstery and carpets.

Better

Targeted spot treatment reduces the need for full-area carpet cleaning, saving time, water, and effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula in a bio-based spray bottle and 98% recycled aluminum packaging powered by clean air, reducing environmental impact.

Faster

Convenient ready-to-use spray application allows quick and effortless treatment of stains on carpets and textiles.

Cleaner

Effectively removes grease, ink, coffee, and other stains from textiles and upholstery.

carpet spot spray all-purpose

Instructions for Use

Spray the ready-to-use solution directly onto the stain and allow it to work for 5–15 minutes. For heavy soiling, loosen the dirt with a brush if necessary. Remove the loosened dirt with a highly absorbent cloth or extract and rinse with clean water using a spray extraction machine or wet vacuum.

Transport, Handling, and Storage

Biobased bottle: No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information. Alu-Air: Pressurized container: may burst if heated. Store and transport in a cool, well-ventilated place away from direct sunlight and sources of heat. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
