

carpet extraction cleaner

Ecological odor-neutralizing cleaner for spray-extraction cleaning of carpets and floor coverings. Leaves no residue and does not cause re-soiling. Safe for all colorfast carpets and floor coverings. Suitable to use in combination with ORBOT.

Better

Optimized product for quick and targeted cleaning, saving time and effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and biobased 5L can result in a net carbon-negative impact.

Faster

Optimized for spray-extraction to deliver efficient, one-pass cleaning.

Cleaner

Odor-neutralizing formula cleans hygienically and dries low-residue for faster results.

carpet extraction cleaner

Instructions for Use

Prepare the cleaning solution in a low-pressure sprayer according to the dosage instructions. Lightly mist the surface with the ready-to-use solution. Pre-treat stubborn stains with i.62 carpet spot spray all-purpose. Extract and rinse with clean water using a spray extraction machine or wet vacuum.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	FlexDose
Packaging	Can
Standard min. dosing	50-150 ml on 5 ltr*

* The advised minimum dose applies to ORBOT and similar high quality cleaning equipment; traditional methods may require a higher dose.
