

patio cleaner

Ecological cleaner for the removal of outdoor deposits and atmospheric pollution. Safe to use on all water-resistant surfaces such as (natural) stone, concrete, plastic, metal, rubber, sealant, ceramics, grout, and glass.

Better

Optimized for quick and targeted cleaning, saving time and effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula in bio-based bottle and 5L can which result in a net carbon-negative impact.

Faster

Effectively removes outdoor deposits and atmospheric pollution for fast cleaning results.

Cleaner

Restores outdoor surfaces to a clean, fresh appearance.

product data sheet

Instructions for Use

Ready-to-use product version: apply directly. Concentrated product version: prepare the cleaning solution according to the dosage instructions. For outdoor use, ensure the surface is dry before application. Apply the product to the surface to be treated and work it in with a brush or scouring pad. Optionally, rinse with clean water. For long-lasting results, stone, concrete and ceramic surfaces can be impregnated with iG.88 Easydose after treatment.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	EasyDose	EasyDose	FlexDose
Packaging	Can	Spray bottle	Can
Standard min. dosing	Ready to use*	Ready to use*	50-150ml on 5ltr

*The product is ready to use; diluting it will reduce its cleaning effectiveness.
