

rust remover

Ecological ready-to-use cleaner with reactive action for the efficient and deep removal of rust from steel, stainless steel, aluminum, ceramics, plastic, and various ferromaterials.

Better

Ensures long-lasting clean and protected metal surfaces with minimal effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based spray bottle result in a net carbon-negative impact.

Faster

Powerful reactive performance quickly dissolves rust and minimizes manual scrubbing.

Cleaner

Deeply removes rust and restores surfaces to a clean, bare-metal finish.

rust remover

Instructions for Use

Remove excess rust or pre-treat the surface with a steel brush. Apply a generous amount directly onto the surface or onto a damp cloth and allow it to work for 15–30 minutes. If possible, rinse with clean water and spray with multi-spray or penetrating oil for corrosion protection.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.

Specifications

Dosing protocol	EasyDose
Packaging (CU)	Sprayflacon
Content CU (ltr)	0.75
Articlecode CU	I97.SB.750
Barcode CU	8719956068980
