

hygienical cobot-cleaner

Ecological, highly concentrated daily floor cleaner suitable for all water-resistant hard floor surfaces. Also ideal for sports floors and floors with a protective (polymer) coating. Leaves no residue and helps support long-term floor protection. Exclusively developed to maximize cleaning efficiency with Co-botic.

Better

Smart dosing helps prevent overdosing, reduce waste, and lower overall cleaning costs.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based packaging result in a net carbon-negative impact.

Faster

Performance-enhanced daily cleaner for fast and effortless surface cleaning.

Cleaner

Delivers consistent, streak-free daily cleaning for all hard, water-resistant floors, including sports and coated surfaces

hygienical cobot-cleaner

Instructions for Use

First fill the tank of Co-botic with water, then add the concentrate according to the dosing instructions. Select the appropriate cleaning program and let Co-botic clean the surface autonomously. There is no need to rinse after cleaning. For best results, use regularly to maintain optimal probiotic performance.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	FlexDose
Packaging	Dispensing bottle
Standard min. dosing	10ml on 5ltr
