

rubber mark remover

Ecological ready-to-use spray that easily removes rubber marks, scuff marks, and other rubber stains from all types of washable hard floor surfaces.

Better

Targeted cleaning saves time, product, and labor compared to full-area cleaning.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based spray bottle result in a net carbon-negative impact.

Faster

Ready-to-use spray for quick and convenient application.

Cleaner

Effectively removes rubber marks and scuffs, restoring floors to a spotless appearance.

rubber mark remover

Instructions for Use

Spray the cleaner directly onto the floor or onto a damp cloth and use it to clean the surface. Allow the surface to air dry. For stubborn dirt, set the trigger to the foam setting, apply generously to the floor or onto a damp cloth, let it work for 1–5 minutes, loosen the dirt with a sponge or cloth, and allow the surface to air dry.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.

Specifications

Dosing protocol	EasyDose
Packaging (CU)	Sprayflacon
Content CU (litr)	0.75
Articlecode CU	I74.SB.750
