

freezer cleaner

Ecological ready-to-use freezer and refrigerator cleaner. Can be used without turning off the freezer or refrigerator. Suitable for cleaning all washable alcohol-resistant surfaces such as racks, shelves, walls, floors, and doors. Effective at temperatures down to -25°C and leaves no residue.

Better

Saves time and energy by cleaning without shutting down or defrosting appliances.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula in bio-based bottle and 5L can, which result in a net carbon-negative impact.

Faster

Cleans efficiently at freezing temperatures without the need to turn off or defrost appliances.

Cleaner

Leaves freezers and refrigerators hygienically clean and residue-free.

i.29 freezer cleaner

Instructions for Use

Remove heavy dirt and thick layers of ice (from 2–3 mm) beforehand. Apply the ready-to-use cleaner directly onto the surface or onto a damp cloth and allow it to work for 1–10 minutes. Loosen heavy dirt with a brush or sponge, then wipe off with a clean, damp cloth.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
