

toilet seat cleaner

Ecological ready-to-use cleaner that ensures a hygienically clean result and effectively removes contamination in an environmentally friendly way.

Better

Dedicated product for quick and targeted cleaning, saving time and effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and 98% recycled aluminum powered by clean air, supporting a circular economy.

Faster

Ready-to-use for quick and easy toilet seat cleaning.

Cleaner

Provides hygienic cleaning and removes daily contamination effectively.

i.38 toilet seat cleaner

Instructions for Use

Apply undiluted with a damp cloth or soft abrasive sponge to clean the surface, then rinse thoroughly with water and dry with a clean cloth.

Transport, Handling, and Storage

Pressurized container: may burst if heated. Store and transport in a cool, well-ventilated place away from direct sunlight and sources of heat. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
