[illegible]

Designed to simplify classroom cleaning with professional tools that clean faster, reduce chemical use, and create healthier learning environments.

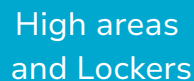

Cleaner

Greener

Better

A complete, kit
designed for
superior
everyday results.

- ✓ Replace multiple tools with one complete, versatile system
- ✓ Deliver consistent, high-quality results across more surfaces
- ✓ Clean high and hard-to-reach areas safely and ergonomically
- ✓ Built to last — up to 750 washes for extended product life
- ✓ Reduce cross-contamination with a simple color-coded system

Ask about our kits for restrooms, cafeterias, and other areas in your facility, along with our portable washing machine and microfiber detergent for quick, consistent cleaning.
