

graffiti and ink remover

Ecological ready-to-use ink and graffiti remover for safe use on a wide range of smooth surfaces. Effectively removes spray paint, varnish, ink, stickers, adhesive, signage, and sealant residues from tiles, Trespa, plastic, synthetic leather, glass, aluminum, and lacquered surfaces.

Better

Reduces the need for aggressive chemicals, making cleaning safer and more sustainable.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based spray bottle result in a net carbon-negative impact.

Faster

Quickly removes even stubborn paint, ink, and adhesive residues.

Cleaner

Deep-cleaning performance restores smooth surfaces to their original appearance.

graffiti and ink remover

Instructions for Use

Spray an appropriate amount onto a damp cloth and use it to clean the surface. Allow it to work for up to 5 minutes. Loosen heavy dirt with a non-scratching sponge. Rinse with i.5 Interior Cleaner and a clean, damp cloth. Always test on an inconspicuous area for colorfastness before use.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.

Specifications
