

toilet cleaner – descaler forte

Extra powerful ready-to-use ecological descaling toilet and urinal cleaner. Prevents the buildup and deposition of limescale residue.

Better

Regular descaling prevents buildup, making toilets easier to maintain and reducing cleaning costs.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and biobased bottle result in a net carbon-negative impact.

Faster

Ready-to-use formula for quick and effective descaling and cleaning.

Cleaner

3-in-1 performance; cleans, descales, and prevents limescale buildup.

toilet cleaner – descaler forte

Instructions for Use

Apply undiluted to the inside and outside of the toilet. Allow it to work for 5–10 minutes, then brush away the dirt. Rinse the inside thoroughly with water and wipe the outside with a clean, damp sanitary cloth. Do not use on acid-sensitive materials such as natural stone, marble, aluminum, or copper.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
