

dishwash rinse aid

Highly concentrated machine rinse aid, suitable for all water hardness levels.

Better

Automatic dosing prevents product waste and overdosage, ensuring cost efficiency.

Safer

Application through dosing system limits direct contact with rinse aid.

Greener

Plant-based formula and reduced-weight packaging with more cardboard than plastic, easier to recycle and with a lower environmental impact, while the bio-based 5 L can delivers a net carbon-negative impact.

Faster

Automatic dosing ensures fast, consistent delivery and efficient cleaning results.

Cleaner

Optimized for the correct water hardness and soiling level to deliver spotless dishwashing results.

Instructions for Use

This product is exclusively suitable for dosing via an automatic dosing system also for optimal performance, dose this product via the iQ-Link automatic dosing system. It can also be used in dishwashers with an internal pump.

Transport, Handling, and Storage

Classified under CLP and GHS regulations. Handle with care and avoid contact with incompatible materials. Store only in i-hygienic's original, closed packaging in a cool, well-ventilated place away from direct sunlight. Protect from extreme temperatures. Ensure containers remain upright during transport. See Safety Data Sheet (SDS) for detailed safety and handling instructions.
