

descaler

Ecological ready-to-use descaler made with safe organic acids. Gentle on the skin yet powerful against limescale and other mineral deposits. Suitable for stainless steel, metal, chrome, tile, ceramics, hard surfaces, and water-heating appliances such as electric kettles.

product is ready to use

Instructions for Use

Apply an appropriate amount to the surface and allow it to work for up to 20 minutes without drying. Remove heavy soil with a brush or scouring pad. Rinse thoroughly with clean water or wipe with a clean, damp cloth. For stubborn lime deposits, repeat the process. Do not use on acid-sensitive materials such as marble, aluminum, or copper.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Specifications

Packaging (CU)	Application bottle	Can
