

laundry softener

Ecological fabric softener suitable for all washable textiles, both whites and colors. The product protects fibers and contains a fresh fragrance that lasts. It reduces wrinkles, leaves laundry soft and antistatic, and makes ironing easier.

Better

Flexible dosing tailored to the soil level prevents overuse and reduces washing costs.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and biobased 5L can result in a net carbon-negative impact.

Faster

Performance-enhanced washing solution for excellent results.

Cleaner

Optimized product for semi-professional washing machines.

laundry softener

Instructions for Use

Add to the final rinse water. For individuals with sensitive skin, it is recommended to wear gloves.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

20-40ml per full load.
