

## laundry detergent hygienic

Ecological universal laundry detergent that removes tough stains even at low temperatures. Contains special components that permanently eliminate unpleasant odors and ensure a hygienic wash result. Suitable for all washable textiles, both white and colored, especially sports and workwear.

### Better

Flexible dosing tailored to the soil level prevents overuse and reduces washing costs.

### Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

### Greener

Plant-based formula and biobased bottle result in a net carbon-negative impact.

### Faster

Performance-enhanced washing solution for excellent results.

### Cleaner

Optimized product for semi-professional washing machines.

## **laundry detergent hygienic**

### Instructions for Use

Suitable for use at temperatures between 20°C and 90°C. Wash at the lowest possible temperature and always with a full load. Adjust the dosage according to water hardness and the level of soiling.

### Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

### Dosage

Normal soiling	20ml per full load
Heavy soiling	40ml per full load
