

degreaser foam

Ecological ready-to-use foaming degreaser for cleaning ovens, stoves, range hoods, floors, and walls. NSF certified: Nonfood Compounds A1.

Better

Ready-to-use foam ensures precise application, reduces waste, and saves time during degreasing tasks.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based spray bottle result in a net carbon-negative impact.

Faster

Ready-to-use for quick, convenient, and accurate application.

Cleaner

Effectively cuts through heavy grease and baked-on residues for thorough cleaning.

i.24 degreaser foam

Instructions for Use

Apply the cleaner directly onto the surface or onto a damp cloth, preferably using the trigger in foam mode for optimal contact time. Allow it to work for 5–15 minutes, then remove heavy dirt with a brush or sponge. Wipe off with a clean cloth and allow the surface to air dry. For surfaces in direct contact with food, rinse afterward with clean water.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.

Specifications

Dosing protocol	EasyDose	EasyDose
Packaging (CU)	Can	Spray bottle
Content CU (ltr)	5	0.75
Articlecode CU	I24.CA.5000	I24.SB.750
