

limesoap cleaner acid free

A highly effective ecological ready-to-use bathroom cleaner specifically developed to remove residue created from the combination of soap, skin oils, and limescale. Suitable for use on ceramics, glass, natural stone, stainless steel, and chrome.

Better

Highly efficient against skin oils, limescale, and soap residues, reducing cleaning effort and time.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and biobased bottle result in a net carbon-negative impact.

Faster

Quickly removes tough soap, skin oil, and limescale residues in one treatment.

Cleaner

Leaves bathrooms clean, shiny, and free from soap and lime build-up.

limesoap cleaner acid free

Instructions for Use

Apply an appropriate amount to the surface and allow it to work for 1–5 minutes. Remove stubborn dirt with a brush or scouring pad, then rinse with clean water or wipe with a clean, damp cloth.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
