# co-botic™ 1900
Drop & Go

## Efficient vacuuming for hotels

### Smarter cleaning, happier guests

The co-botic 1900 handles floor cleaning with precision while freeing up time for more complex tasks. Co-designed with cleaning professionals, it's compact, powerful, and fully autonomous. Delivering consistent high-quality results every time.

## Product benefits

- Relieves cleaners of physical strain
- Less emission of dust, bacteria & allergens
- Robotic: frees up time

## **Technical** specifications

- Runtime
  **up to 4h**
  with 2x i-power 8.7
  **up to 5h**
  with 2x i-power 10.5
- Suction power
  **3 speeds:**
  **4, 8 and 20 KPA**
- Capacity
  **0.5 gal**

**Faster**
Vacuums autonomously, freeing up time for other cleaning tasks.

**Cleaner**
This robot vacuum does not sweep, it sucks: with power!

**Greener**
Consumes only 50W in eco mode, compared to 750W for manual vacuum cleaners.

**Safer**
Less emission of dust, bacteria and allergens due to anti-mold dust bin with HEPA filter.

**Better for everyone**
A reliable industrial co-botic that frees up time and delivers exceptional results.

# **Why the co-botic 1900**
