

i-remove solution

Ecological cleaner made from renewable sources. Effectively removes gum, sticky labels, ink, stains, mold, and dirt without leaving residue. Safe to use, non-corrosive, phosphate-free, and pH neutral. Exclusively developed for use with the i-remove.

Better

Optimized cleaning solution designed to perfectly match the i-remove for maximum performance and cost efficiency.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based bottle result in a net carbon-negative impact.

Faster

Performance-enhanced i-remove solution for fast, efficient removal of stubborn dirt and residues.

Cleaner

Effectively removes gum, labels, ink, mold, and other tough contaminants without leaving residue.

Instructions for Use

Use exclusively in combination with the i-remove. Follow the manufacturer's instructions for optimal results.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	FlexDose
Packaging	Application bottle
Standard min. dosing	10ml on 5ltr*

* The advised minimum dose applies to i-remove and similar high quality cleaning equipment; traditional methods may require a higher dose.

Specifications

Dosing protocol	FlexDose
Packaging (CU)	Application bottle
Content CU (ltr)	1
Articlecode CU	ID30.AB.1000
Barcode CU	8721284402718
Articlecode box (BU)	K.12.106.0143.0
Barcode BU	8719778613412
Content BU	12
BU per layer	20
Pallet layers	6
BU on pallet	120
CU on pallet	720
