

floor care

Highly concentrated ecological floor maintenance product for the protection of all water-resistant, hard floor surfaces. Leaves a protective layer that prevents dirt from adhering and makes future cleaning easier.

Better

Prevents dirt adhesion, reducing cleaning frequency, water, and detergent use.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula in bio-based bottle and 5L can, which result in a net carbon-negative impact.

Faster

Easy to apply and no rinsing required, making floor care quick and efficient.

Cleaner

Leaves floors smooth, protected, and easier to maintain.

Instructions for Use

Remove dust and loose dirt from the floor. Clean the floor thoroughly using i.7 floor cleaner and allow the floor to dry. Prepare the i.75 floor care maintenance solution according to the dosing instructions in a mop bucket or in the tank of a floor cleaning machine. Apply the solution using a mop, floor scrubber, or cleaning machine. Remove excess solution by mopping, wiping, vacuuming, or using a floor squeegee to direct it toward a drain. Rinsing is not required. Allow the floor to air dry.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	FlexDose
Packaging	Can
Standard min. dosing	40 ml on 5 ltr

Specifications

Dosing protocol	FlexDose
Packaging (CU)	Can
Content CU (ltr)	5
Articlecode CU	I75.CA.5000
Barcode CU	8719956069703
Articlecode box (BU)	K.2.I75.CA.5000
Barcode BU	8721284400004
Content BU	2
BU per layer	16
Pallet layers	5
BU on pallet	80
CU on pallet	160
