

grout cleaner

Ecological ready-to-use mildly oxidizing grout and sealant edge cleaner. Contains special ingredients that are highly effective in removing deposits and stains caused by weather and moisture.

Better

Optimized product for quick and targeted cleaning, saving time and effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based spray bottle result in a net carbon-negative impact.

Faster

Foam application increases contact time for quicker and more efficient deep cleaning of grout and sealant edges.

Cleaner

Effectively removes weather- and moisture-related deposits, restoring grout and sealant edges to a fresh and clean appearance.

Instructions for Use

Spray onto the surface to be treated. For optimal contact time, set the trigger to foam mode. Allow to work for 15-30 minutes. Remove stubborn dirt with a brush or abrasive sponge. Rinse with clean water and wipe with a rinsed, clean cloth.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.

Specifications

Dosing protocol	EasyDose
Packaging (CU)	Spray bottle
Content CU (ltr)	0.75
Articlecode CU	I93.SB.750
Barcode CU	8721284401063
Articlecode box (BU)	K.6.I93.SB.750
Barcode BU	8721284401322
Content BU	6
BU per layer	15
Pallet layers	5
