

laundry softener pro

Ecological, neutral fabric softener suitable for all washable textiles, both whites and colors. It reduces wrinkles, leaves laundry soft and antistatic, and makes ironing easier. The product provides a fresh, pleasant, and long-lasting fragrance.

Better

Automatic dosing prevents product waste and overdosage, ensuring cost efficiency.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based ingredients and reduced-weight packaging with minimal plastic for a lower environmental impact.

Faster

Automatic dosing ensures efficient washing for the best results.

Cleaner

Optimized product for professional washing machines.

laundry softener pro

Instructions for Use

Add to the final rinse water. For individuals with sensitive skin, wearing gloves is recommended.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

This product is designed for automatic dispensing via the professional dosing equipment iQ-Link. The dispensing system ensures accurate and consistent dosing, fully adapted to your washing process.
