

washroom cream polish

Ecological ready-to-use polish suitable for the removal of mineral deposits on ceramic washbasins, other glazed ceramic surfaces, and (glass) shower walls. Polishes without scratching.

Better

Versatile polish reduces the need for multiple specialized products, saving time and cost.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and 98% recycled aluminum powered by clean air, supporting a circular economy.

Faster

Ready-to-use for quick, convenient, and accurate application.

Cleaner

Removes mineral deposits, grease, and soap scum without scratching.

washroom cream polish

Instructions for Use

Apply the undiluted product onto a damp cloth or soft abrasive sponge and use it to clean the surface. Rinse thoroughly with clean water and dry with a clean cloth.

Transport, Handling, and Storage

Pressurized container: may burst if heated. Store and transport in a cool, well-ventilated place away from direct sunlight and sources of heat. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
