

beer glass cleaner tabs

Ecological degreasing beer glass cleaner in tablet form. Contains special ingredients that ensure a streak-free result without compromising the taste of the beer.

Better

Concentrated tablet form provides controlled dosing, minimizing product waste and saving costs.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

100% recycled plastic packaging that supports a circular economy by keeping materials in use.

Faster

Ready-to-use tablet format for quick and consistent preparation of a cleaning solution.

Cleaner

Ensures streak-free results without affecting beer taste.

i.82 beer glass cleaner tabs

Instructions for Use

Pour out the beer residue from the glasses. Fill a wash basin with clean water and add 1 tablet of beer glass cleaner. Place the glasses in the solution and clean them with a dish brush. For heavy contamination, increase the dosage to 2 tablets. Always rinse the glasses thoroughly with clean water after cleaning.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

1 tablet per water-filled washbasin.
