

toilet and urinal cleaner descaler

Extra powerful ready-to-use ecological descaling toilet and urinal cleaner. Prevents the buildup and deposition of limescale residue.

product is ready to use

Instructions for Use

Apply undiluted to the inside and outside of the toilet. Allow it to work for 5–10 minutes, then brush away the dirt. Rinse the inside thoroughly with water and wipe the outside with a clean, damp sanitary cloth. Do not use on acid-sensitive materials such as natural stone, marble, aluminum, or copper.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.
