

stainless steel cleaner

Ecological ready-to-use cleaner and protector for stainless steel, chrome, and polished aluminum surfaces. Effortlessly removes stains and leaves a uniform, long-lasting, deep shine.

Better

Ready-to-use simplifies application, saves time, and reduces product waste.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based spray bottle result in a net carbon-negative impact.

Faster

Ready-to-use for quick, convenient, and accurate application.

Cleaner

Cleans, protects, and leaves a deep, uniform shine on stainless steel, chrome, and polished aluminum.

i.25 stainless steel cleaner

Instructions for Use

Apply the cleaner directly onto the surface or onto a clean, lint-free cloth. Clean and polish with a dry, lint-free cloth until a deep, even shine is achieved. If the surface does not immediately appear uniform, repeat the treatment.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
