

# iD.30 i-remove solution

## Properties

Ecological cleaner made from renewable sources. Effectively removes gum, sticky labels, ink, stains, mold, and dirt without leaving residue. Safe to use, non-corrosive, phosphate-free, and pH neutral. Exclusively developed for use with the i-remove.

### Better

Optimized cleaning solution designed to perfectly match the i-remove for maximum performance and cost efficiency.

### Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

### Greener

Plant-based formula and bio-based bottle result in a net carbon-negative impact.

### Faster

Performance-enhanced i-remove solution for fast, efficient removal of stubborn dirt and residues.

### Cleaner

Effectively removes gum, labels, ink, mold, and other tough contaminants without leaving residue.

## product data sheet

# iD.30 i-remove solution

### Instructions for Use

Use exclusively in combination with the i-remove. Follow the manufacturer's instructions for optimal results.

### Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

### Dosage

Dosing protocol	FlexDose
Packaging	Application bottle
Standard min. dosing	10ml on 5ltr*

\* The advised minimum dose applies to i-remove and similar high quality cleaning equipment; traditional methods may require a higher dose.

### Specifications

Dosing protocol	FlexDose
Packaging (CU)	Application bottle
Content CU (ltr)	1
Articlecode CU	ID30.AB.1000
Barcode CU	8721284402718
Articlecode box (BU)	K.12.106.0143.0
Barcode BU	8719778613412
Content BU	12
BU per layer	20
Pallet layers	6
BU on pallet	120
CU on pallet	720
