easy

Small in size Big on power

The i-vac 5 is a powerhouse machine that gets the job done. A well trusted name in the community. The i-vac 5 has surprised every user with it's proven mobility, design and power. The i-vac 5 is used for offices, carpet cleaning, households, cabinets, wardrobes, and much more.

Canister & more

Egg shaped canister for optimal working in smaller areas and close-to-body carrying. Equipped with a lighted on/off switch, so that you can easily troubleshoot over the phone in case of power failures or any other technical difficulties. Also includes a detachable power cord.

Key features

Bag with lock

5 liter bag volume with a lock to avoid dust leakage when taking out the bag. You can choose between a paper bag, or a microfiber bag.

3 piece wand & flexible hose

Double extrusion for extra stability at both ends, as they are the most stressed areas.

Integrated tool holders

All of the accessories and necessary equipment supplied with the machine can be stored on the machine.

Carry-on everywhere

A sturdy and ergonomic main handle provides a freedom of mobility you haven't experienced before. The i-vac 5 goes wherever you go!

The perfect cleaning tools

With the use of an i-vac 5 you make the most of every cleaning session. The i-vac 5 has a wide range of vacuum attachments, for different floor types, the hard to reach nooks and upholstery cleaning.
