

# i.66 carpet protect

## Properties

Ecological ready-to-use water-based protection spray for carpets and textiles. Provides long-term protection against moisture and stains with excellent water- and dirt-repellent properties.

### Better

Long-lasting protection reduces maintenance and cleaning frequency, saving time and product.

### Safer

Ecological formulation designed for professional use. Appropriate personal protective equipment (PPE), chemical-resistant gloves and safety goggles, must be worn during application. Handle with care and follow the safety instructions provided in the SDS.

### Greener

Plant-based formula in a bio-based 5L can and 98% recycled aluminum packaging powered by clean air, reducing environmental impact.

### Faster

Ready-to-use for quick and easy application.

### Cleaner

Creates a protective barrier that repels water and dirt, helping surfaces stay clean longer.

# product data sheet

## i.66 carpet protect

### Instructions for Use

Ensure the surface to be treated is clean and dry. Depending on the density and thickness of the carpet, upholstery, or fabric, mist or spray the ready-to-use product onto the surface until fully absorbed. Apply using a low-pressure sprayer from a 5 L can or spray directly with the alu-air. Allow the treated surface to air dry completely before use.

### Transport, Handling, and Storage

Biobased can: Health hazard. May cause eye irritation and drowsiness/dizziness. Handle with care. See Safety Data Sheet (SDS) for detailed safety and handling instructions. Alu-Air: Health hazard. May cause eye irritation and drowsiness/dizziness. Pressurized container: may burst if heated. Store and transport in a cool, well-ventilated place away from direct sunlight and sources of heat. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

### Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
