

product data sheet

i.73 floor cleaner forte

Properties

Extra-powerful concentrated ecological floor cleaner for thorough and deep cleaning of all water-resistant hard floor surfaces. Delivers very strong cleaning performance and effortlessly removes heavy and aged contaminants from highly soiled floor surfaces.

Better

Powerful deep cleaning reduces manual scrubbing and restores heavily soiled floors efficiently.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and biobased 5L can result in a net carbon-negative impact.

Faster

Extra-powerful formula ensures quick and efficient removal of greasy and stubborn dirt from hard floors.

Cleaner

Effectively removes heavy soil and buildup, leaving hard floors spotless and fresh.

product data sheet

i.73 floor cleaner forte

Instructions for Use

Remove dust and loose dirt from the floor. Prepare the desired amount of cleaning solution in a mop bucket or in the tank of a floor cleaning machine. Clean the floor, then mop, wipe, or vacuum up the solution, or use a floor squeegee to move it toward a drain. Allow the damp floor to dry naturally. Rinsing is not necessary unless streaks appear; in that case, rinse with clean water. For heavy soiling, the dosage may be doubled. After use of this cleaning product in the i-mop, drain the water tank, refill with fresh water, and clean the filters.

Transport, Handling, and Storage

Non-classified product. No special requirements or restrictions for handling, transportation, or storage.

Dosage

Dosing protocol	FlexDose
Packaging	Dispensing bottle / Can
Standard min. dosing	20 ml on 5ltr
