

product data sheet

iT.34 laundry stain remover pro active oxygen

i-hygienic®

Properties

Boosts the cleaning performance of the detergent, ensuring thorough stain removal and keeping textiles brilliantly white. The product removes tough stains such as grass, mud, blood, and fruit stains, and helps laundry stay naturally white even after multiple wash cycles. Suitable for all washable textiles.

Better

Automatic dosing prevents product waste and overdosage, ensuring cost efficiency.

Safer

Ecological formulation designed for professional use. Application through dosing system limits direct contact with detergent. Appropriate personal protective equipment (PPE) — chemical-resistant gloves, protective clothing, and safety goggles or face protection — must be worn during application or when handling the product. Ensure adequate ventilation. Handle with care and follow the safety instructions provided in the SDS.

Greener

Plant-based ingredients and reduced-weight packaging with minimal plastic for a lower environmental impact.

Faster

Automatic dosing ensures efficient washing for the best results.

Cleaner

Optimized product for professional washing machines.

product data sheet

iT.34 laundry stain remover pro active oxygen

Instructions for Use

Suitable for use at temperatures between 30°C and 90°C. Achieves the best washing results when used in combination with iT.33 Laundry Booster Pro.

Transport, Handling, and Storage

Classified under CLP and GHS regulations. Corrosive liquid. Handle with care and ensure adequate ventilation during handling. Avoid contact with incompatible materials and prevent exposure to vapors. Store only in i-hygienic's original, closed packaging in a cool, well-ventilated place away from acids and metals. Protect from extreme temperatures and direct sunlight. Ensure containers remain upright during transport. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

Dosage

This product is designed for automatic dispensing via the professional dosing equipment iQ-Link. The dispensing system ensures accurate and consistent dosing, fully adapted to your washing process.
