

product data sheet

i.8 bio alcohol cleaner hygienic

Nonfood Compounds
A1

Properties

Ecological, unscented ready-to-use surface cleaner. Suitable for (interim) cleaning of all smaller washable materials and surfaces that come into contact with food or its ingredients. Not suitable for painted or lacquered surfaces. NSF certified: Nonfood Compounds A1.

Better

Ensures safe, hygienically clean food-contact surfaces with minimal effort.

Safer

Ecological formulation designed for professional use. Appropriate personal protective equipment (PPE), safety goggles, must be worn during application. Handle with care and follow the safety instructions provided in the SDS.

Greener

Plant-based formula in bio-based bottle and can, which can result in a net carbon-negative impact.

Faster

Ready-to-use formula for quick and effective interim surface cleaning.

Cleaner

Effectively cleans and degreases food-contact surfaces, leaving them spotless.

product data sheet

i.8 bio alcohol cleaner hygienic

Instructions for Use

Remove any dirt beforehand. Spray the cleaner directly onto the surface and ensure it remains moist for at least 2 minutes. Wipe off with a clean cloth and allow the surface to air dry. For surfaces in direct contact with food, rinse afterward with clean water.

Transport, Handling, and Storage

Classified under CLP and GHS regulations. Highly flammable liquid and vapor. Handle with care and ensure good ventilation during handling and storage. Keep away from heat, sparks, open flames, and hot surfaces. Store only in i-hygienic's original, closed packaging in a cool, well-ventilated place away from direct sunlight and sources of ignition. Protect from static discharge. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
