

i.21 oven - grill cleaner forte

Properties

Extra-powerful ecological ready-to-use foaming spray cleaner for removing burnt-on contaminants from stoves, combi ovens, smoking cabinets, grills, salamanders, and deep-frying equipment.

Better

Highly effective performance reduces scrubbing effort, water use, and downtime, saving time and labor costs.

Safer

Ecological formulation designed for professional use. Appropriate personal protective equipment (PPE), chemical-resistant gloves and safety goggles, must be worn during application. Handle with care and follow the safety instructions provided in the SDS.

Greener

Plant-based formula and bio-based spray bottle result in a net carbon-negative impact.

Faster

Powerful foaming performance clings to vertical and horizontal surfaces for longer contact time and faster cleaning results.

Cleaner

Effectively removes burnt-on grease and heavy residues from ovens, grills, fryers, and more.

product data sheet

i.21 oven - grill cleaner forte

Instructions for Use

Appropriate personal protective equipment (PPE), such as chemical-resistant gloves and safety goggles, must be worn during application. The ideal surface temperature for cleaning is between 50°C and 60°C. Apply the product to the soiled surface, preferably using the trigger in foam mode for optimal contact time. Allow it to work for 10–30 minutes, then loosen the dirt with a brush or cleaning sponge. Rinse thoroughly with clean water and allow the surface to air dry.

Transport, Handling, and Storage

Classified under CLP and GHS regulations. Corrosive liquid. Handle with care and avoid contact with incompatible materials. Store only in i-hygienic's original, closed packaging in a cool, well-ventilated place away from acids and metals. Protect from extreme temperatures and direct sunlight. Ensure containers remain upright during transport. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.

Specifications
