

product data sheet

iT.1 laundry detergent hygienic

Properties

Ecological universal laundry detergent that removes tough stains even at low temperatures. Contains special components that permanently eliminate unpleasant odors and ensure a hygienic wash result. Suitable for all washable textiles, both white and colored, especially sports and workwear.

Better

Flexible dosing tailored to the soil level prevents overuse and reduces washing costs.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and biobased bottle result in a net carbon-negative impact.

Faster

Performance-enhanced washing solution for excellent results.

Cleaner

Optimized product for semi-professional washing machines.

product data sheet

iT.1 laundry detergent hygienic

Instructions for Use

Suitable for use at temperatures between 20°C and 90°C. Wash at the lowest possible temperature and always with a full load. Adjust the dosage according to water hardness and the level of soiling.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

| | |
|----------------|--------------------|
| Normal soiling | 20ml per full load |
| Heavy soiling | 40ml per full load |
