

product data sheet

# iQ.5 dishwash detergent ultra

## Properties

Highly concentrated dishwasher detergent for hard water with moderate to high soiling.

### **Better**

Automatic dosing prevents product waste and overdosage, ensuring cost efficiency.

### **Safer**

Application through dosing system limits direct contact with dishwash agent.

### **Greener**

Plant-based formula and reduced-weight packaging with more cardboard than plastic, easier to recycle and with a lower environmental impact.

### **Faster**

Automatic dosing ensures fast, consistent delivery and efficient cleaning results.

### **Cleaner**

Optimized for the correct water hardness and soiling level to deliver spotless dishwashing results.

## product data sheet

# iQ.5 dishwash detergent ultra

### Instructions for Use

This product is exclusively suitable for dosing via an automatic dosing system also for optimal performance, dose this product via the iQ-Link automatic dosing system. It can also be used in dishwashers with an internal pump.

### Transport, Handling, and Storage

Classified under CLP and GHS regulations. Corrosive liquid. Handle with care and avoid contact with incompatible materials.
