

i.80 dish soap

Properties

Ecological hand dishwashing liquid for cleaning glassware, crockery, cutlery, and kitchen utensils.

Powerful degreasing and breaks down soil in an environmentally friendly way.

Better

Optimized product for quick and targeted cleaning, saving time and effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and biobased bottle result in a net carbon-negative impact.

Faster

Powerful degreasing performance for quick and effective manual dishwashing.

Cleaner

Removes grease, food residues, and dried-on dirt, leaving dishes spotless and shiny.

product data sheet

i.80 dish soap

Instructions for Use

Dispense into a wash basin filled with clean, lukewarm water. Brush off heavy dirt with a dish brush.

For stubborn dirt, pre-soak the dishes first. Always rinse with clean water afterward.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.
