

Properties

Highly concentrated ecological floor maintenance product for the protection of all water-resistant, hard floor surfaces. Leaves a protective layer that prevents dirt from adhering and makes future cleaning easier.

Better

Prevents dirt adhesion, reducing cleaning frequency, water, and detergent use.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula in bio-based bottle and 5L can, which result in a net carbon-negative impact.

Faster

Easy to apply and no rinsing required, making floor care quick and efficient.

Cleaner

Leaves floors smooth, protected, and easier to maintain.

product data sheet

i.75 floor care

Instructions for Use

Spray the cleaner directly onto the floor or onto a damp cloth and use it to clean the surface. Allow the surface to air dry. For stubborn dirt, set the trigger to the foam setting, apply generously to the floor or onto a damp cloth, let it work for 1–5 minutes, loosen the dirt with a sponge or cloth, and allow the surface to air dry. After use of this cleaning product in the i-mop, drain the water tank, refill with fresh water, and clean the filters.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	FlexDose
Packaging	Can
Standard min. dosing	40 ml on 5 ltr

Specifications

Dosing protocol	FlexDose
Packaging (CU)	Can
Content CU (ltr)	5
Articlecode CU	I75.CA.5000
