

product data sheet

i.99 plastic renovator and cleaner

Properties

Ecological ready-to-use spray for cleaning, caring for, and protecting almost all plastic surfaces. Leaves an even, dirt-repellent layer and restores the original color of discolored or weathered dark plastic.

Better

Combines cleaning and care in one step, reducing the need for separate products.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and 98% recycled aluminum powered by clean air, supporting a circular economy.

Faster

Ready-to-use for quick and easy plastic renovation and cleaning.

Cleaner

Cleans, protects, and restores the original color of plastic surfaces.

product data sheet

i.99 plastic renovator and cleaner

Instructions for Use

Clean heavily soiled surfaces beforehand and remove any caked-on dirt. Apply the product directly onto the surface or onto a damp cloth and wipe with a dry cloth until the desired result is achieved. If the surface does not show an even effect immediately, repeat the treatment.

Transport, Handling, and Storage

Pressurized container: may burst if heated. Store and transport in a cool, well-ventilated place away from direct sunlight and sources of heat. See Safety Data Sheet (SDS) for detailed safety and handling instructions.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.

Specifications

Dosing protocol	EasyDose
Packaging (CU)	Alu-air
Content CU (litr)	0.2
Articlecode CU	I99.AA.200
Barcode CU	8719956069000
Articlecode box (BU)	K.24.I99.AA.200
Barcode BU	8719956069123
Content BU	24
BU per layer	12
Pallet layers	7
BU on pallet	84
