

Properties

Ecological ready to use cleaner for the removal of outdoor deposits and atmospheric pollution. Safe to use on all water-resistant surfaces such as (natural) stone, concrete, plastic, metal, rubber, sealant, ceramics, grout, and glass.

Better

Optimized for quick and targeted cleaning, saving time and effort.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula in bio-based bottle and 5L can which result in a net carbon-negative impact.

Faster

Effectively removes outdoor deposits and atmospheric pollution for fast cleaning results.

Cleaner

Restores outdoor surfaces to a clean, fresh appearance.

product data sheet

iG.84 patio cleaner

Instructions for Use

For outdoor use, ensure the surface is dry before application. Apply the product directly onto the surface to be treated and work it in with a brush or scouring pad. Optionally, rinse with clean water. For long-lasting results, stones, concrete, and ceramic surfaces can be impregnated with iG.88 stone protect hydrophobic after treatment.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

The product is ready to use; diluting it will reduce its cleaning effectiveness.
