iG.85 patio cleaner

Instructions for Use

For outdoor use, ensure the surface is dry before application. Dilute the product according to the required cleaning intensity (see dosing guidelines). Apply the diluted solution to the surface using a low-pressure sprayer and work it in with a brush or scouring pad. Optionally, rinse with clean water. For long-lasting results, stones, concrete, and ceramic surfaces can be impregnated with iG.88 stone protect hydrophobic after treatment.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	FlexDose
Packaging	Can
Standard min. dosing	500ml on 5ltr

Specifications
