

i.3 sanitary cleaner

Properties

Ecological limescale-binding daily bathroom cleaner. Safe to use on all washable surfaces and contains special ingredients that ensure a streak-free drying effect.

Better

Smart dosing options (automatic dispenser, portable manual dosing, or ready-to-use) help prevent overdosing, reduce waste, and lower overall cleaning costs.

Safer

Non-classified and safe to use without protective equipment. Where industry or site-specific safety guidelines recommend the use of protective equipment, i-hygienic advises adhering to those recommendations.

Greener

Plant-based formula and bio-based packaging result in a net carbon-negative impact.

Faster

Performance-enhanced daily cleaner for quick and effective bathroom cleaning.

Cleaner

The optimal daily cleaning solution for washrooms and sanitary areas, leaving surfaces clean and streak-free.

product data sheet

i.3 sanitary cleaner

Instructions for Use

Prepare the cleaning solution according to the dosage instructions, using either a bucket or a spray bottle. Bucket method: The prepared cleaning solution can be applied directly onto the surface. Allow it to work for 1–5 minutes if needed. For stubborn dirt, apply generously and loosen with a sponge or brush. Wipe off with a clean, damp cloth and let the surface air dry. In case of heavy soiling, the recommended dosage may be doubled. Spray method: Apply the prepared cleaning solution onto a damp cloth and use it to clean the surface. Wipe with a clean, damp cloth and allow to air dry. For floors, mop, wipe, or scrub with the cleaning solution. There is no need to rinse. Allow the floor to air dry.

Transport, Handling, and Storage

Non-classified product. No restrictions on handling, transport, or storage. See Safety Data Sheet (SDS) for detailed information.

Dosage

Dosing protocol	AutoDose Ultra	FlexDose Ultra	FlexDose	EasyDose
Packaging	Pouch	Dispensing bottle	Dispensing bottle / Can	Sprayflacon
Standard min. dosing	5ml on 5ltr	5ml on 5ltr	10ml on 5ltr	Ready to use*

*The product is ready to use; diluting it will reduce its cleaning effectiveness.
